## Small Business Stabilization Grant

In order to help stabilize businesses that have been impacted by the COVID-19 pandemic, emergency funds have been made available and will be distributed in the form of grants to local business owners. To request assistance, you must meet the program requirements and submit required documentation for expenses incurred between March 2020 and the date of the application.

Grant amounts are up to **\$10,000**. Funds are available on a limited basis. Submitting this application is not a guarantee of assistance. For your privacy, information collected will remain confidential, used only to meet federal and state record keeping requirements, and withheld as applicable from disclosure.

**Small businesses may not be reimbursed by multiple funders for the same cost (double-dipping), and this principle also applies to any recipients of CARES funding: No duplicate payments or supplanting of other costs is allowed.**

Previous funding awarded does not immediately disqualify a business.
